### Are cheap hotels in Lisbon harder to find than anywhere else in the Portugal?

Lisbon hotels offer a wide range of accommodation matching the needs of backpacking visitors and holidaymakers from all over the world. Cheap Hotels you will find in Rua Portas de Santo Antao which is a parallel street to the expensive Avenida da Liberdade. Near the Rossio there are several small hotels and pensions quite comfortable and suited to travellers with a low budget. Rua da Glória is also a good area to book a hotel because its near the police station and that makes it a quite save neighborhood. Avenida da Liberdade on the other hand is not really suited to budget travellers to seek accommodation but more fore luxury shopping and to have a stroll for those who cant afford but like to window shop a bit.

Over 100 **cheap hotels** offer a range of budget accommodation suited to backpackers. The selection of accommodation includes budget hotels, hostel rooms and dorms, well priced apartment rental and traditional bed and breakfast lodging.

As for **budget travellers** in particular it is to save as much money on the hotel as possible and have more left to spend on the fun stuff. *Bud*
